The NYC Health Department would like to remind property owners that they must remove standing water, where mosquitos can breed in warm weather. For more information, please visit nyc.gov/health or call 311.

The Housing Maintenance Code requires that all residential buildings with three or more dwelling units register annually with HPD regardless of whether the owner resides at the property. One- and two-family dwellings are only required to register annually where neither the owner nor any family member occupies the dwelling. For questions or issues regarding registration, please call HPD at 212-863-7000 or e-mail HPD at register@hpd.nyc.gov.
